Stewardship Survey

Stewardship is the supreme opportunity to show gratitude to God and HIS CHURCH for how HE has blessed us and our families. It is expressed through our time, talents and money. Our health, children, education, talents, jobs and intelligence are not ours by right, but are blessings from God. In return, God wants and expects us to be good stewards of all He has given us. Thank you for your stewardship gifts in 2017.

Please answer these questions regarding our Stewardship Program:

1. Do you like our church's Stewardship Program? Why or why not?
2. How do you feel the Stewardship Program can be improved?
3. Do you feel your stewardship pledge is a reflection of how important the church is to you and your family?
4. What factors would inspire you to increase your stewardship to the church?
5. What factors could lead you to decrease your stewardship to the church?
6. If you do not make a yearly pledge, why do you not make a pledge?
